June 2023 Finals/Regents Testing Schedule / Transportation Schedule

May 2023

Dear Parents / Guardians / Students:

With the fourth quarter progress report (5 week) period ending on Friday, May 19th, the high school administration and staff are preparing for the various events that accompany the close of a school year.

Enclosed is a copy of the ***June 2023 Finals/Regents Exam Schedule*** as well as a ***Transportation Schedule***. These documents have also been posted to the high school website at <https://hs.mtsinai.k12.ny.us/>. We would also encourage you to visit our website and class Google pages for upcoming event dates and more end of year information.

During the testing weeks of June 12th through June 23rd, students are reminded that backpacks, duffle bags and similar items will not be permitted past the main entrance security desk. Likewise, students will be required to tag and surrender their phones upon arriving to their assigned testing locations. Upon completing their exams, students can retrieve their phones.

As we progress closer to the end of the fourth marking period and end of year grading, students' attendance for instruction is essential to their strong finish and preparation for exams. Please encourage your child to take advantage review material and resources provided by classroom teachers as well as extra help opportunities as necessary. Please take some time to also review end of year grading procedures as outlined in the 2022-2023 Parent/Student Handbook (pages 26-27) which can be accessed at:

Lastly, please be aware that all students in grades 9 – 11 will be keeping their district issued laptop through the summer. It is the expectation that students should keep their device safe and be prepared to return with it in September.

Thank you for your continued support and assistance. Should you have any questions or concerns related to any of the above, feel free to contact your child's teachers, guidance counselor or the high school main office.

Best Regards,
