Mount Sinai High School hosts annual Holiday Magic dinners where children receive their gifts from Santa. These gifts are purchased with funds raised by the Annual Turkey Trot 5K / 1K

About Holiday Magic:

For the past fifteen (15) years, Christmas Magic has been funded solely by private donations. We have relied upon “word of mouth” spreading throughout the local business community and small collections have been gathered by neighbors, family and friends in a very casual and informal manner. With minimal overhead, and an all volunteer staff, we are able to use all of the funds collected towards gifts, with the exception of some supplies and postage used for our mailers.
